## WHAT IS FIERCE PARENTING?

As a busy parent or caregiver, we know keeping up with all of the issues facing youth can be overwhelming. Which is why we created **Fierce Parenting**: a subscription of brief videos delivered to your inbox each week to help you have important conversations in a way that fits organically into your family or group's needs.

**Each month** we'll dig into different topics that build on each other including: exploitation, sexual abuse, online grooming, pornography, and cyberbullying.

Your *free* subscription includes:

- Preventative Actions to Protect Kids
- Actionable Steps to Take When You See Warning Signs
